

Having your temperature taken

Information for patients

Easy Read

easy read

This booklet uses easy words and pictures.

You might want to ask someone to help you read it.

hospital

Medical staff might want to check how hot or cold your body is.

Your temperature can tell us if you are ok or unwell.

minute

It will take less than a minute and it doesn't hurt.

This is a thermometer. It checks how hot or cold you are.

temperature

It goes just inside your ear, and it doesn't hurt.

speak

You can ask staff what your temperature is, they will tell you.
